

The Priory Garden

FULL OF FLOWERS and *fragrant medicinal herbs*, the Priory Garden is *a haven of peace* in the bustling energy of Clerkenwell.

It is frequently used for *champagne receptions* after wedding ceremonies in St John's Gate, and *summer parties* are a joy when held amongst drifts of lavender and roses in the shade of the *200 year old olive tree* at the heart of the garden.

If the weather suddenly misbehaves, there is no need to despair: the adjacent *Priory Gallery* is warm and welcoming!
